

# UTS Prize Conditions of Award

## King Living Foundation Most Improved 2<sup>nd</sup> Year Prize

### Faculty: Design, Architecture and Building

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

#### 1. PRIZE NAME: King Living Foundation Most Improved 2<sup>nd</sup> Year Prize

#### 2. PURPOSE

The aim of the King Living Foundation Most Improved Prize is to encourage product design excellence in the Bachelor of Design in Product Design and is awarded the student who demonstrates the largest academic improvement between first and second years.

#### 3. VALUE AND BENEFIT

##### 3.1 Number of Recipients:

- Usually, one (1) Recipient will be awarded the Prize in each calendar year.

##### 3.2 Benefit/s to Recipient:

- The award will be in the form of a cash prize of \$2,000

##### 3.3 Payment of benefit/s:

- The Recipient will receive one payment of \$2,000 by electronic funds transfer to his/her nominated bank account.
- Payment shall be deposited within two weeks of the prize-giving ceremony.
- A certificate of award will be presented to the recipient by the donor at the Faculty's annual prize-giving ceremony.

#### 4. ELIGIBILITY CRITERIA

To be eligible for the Prize, in the year for which the award is made, a candidate must meet all of the following criteria:

- Be enrolled in the Bachelor of Design in Product Design (C10304)
- Have completed all the core first-year and second-year requirements for Product Design (as stipulated in the UTS Handbook) in the academic year for which the award is made.
- Have completed all the core subjects at a full-time load, in consecutive years

#### 5. RECIPIENT SELECTION CRITERIA, IN PRIORITY ORDER

- The Prize will be awarded to the student who, in the year for which the award is made, has obtained the largest difference in Weighted Average Mark (WAM) between the core first- and second-year product design subjects.
- Where two (2) or more students achieve the same WAM, the student (1) with the highest overall Grade Point Average (GPA) in their course will be awarded the Prize.

#### 6. SELECTION

- The Prize Recipient will be selected by the Faculty of Design, Architecture and Building, in accordance with clause 5.

- The Recipient will be approved by the Dean of the Faculty of Design, Architecture and Building.

**7. OTHER CONDITIONS:** N/A
