

## Cooperation

# Technische Universität Berlin - University of Technology Sydney

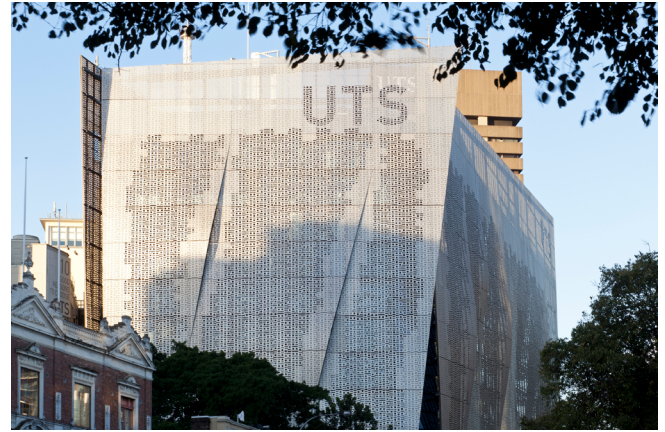

## Call for Proposals

### Criteria for the proposal:

- Definite cooperation-partner at the UTS including his/her statement of interest
- Scientific excellence
- Proposal for external funds as a final goal

### Please prepare the following documents:

- Draft of the proposal (approx. 1.5 pages)
- Statement of where the project proposal will be submitted for third party funding.
- Timeline of the proposal
- Cost schedule (max. € 10.000 per project)
- Statement why the cooperation will be of benefit for the subject area and why the UTS has been chosen as a partner.

UTS, ranked as one of Australia's leading universities of technology, is a dynamic and innovative institution located in central Sydney. It has a distinct model of learning, strong research performance and is renowned for its engagement with industrial partners. Both the general profile of the university as well as the defined research foci strongly correspond with those of the TU Berlin. To further develop cooperation relations between the UTS and the TU Berlin a Strategic Partnership Agreement between the two institutions was signed in 2017.

**Deadline: March 31<sup>th</sup>, 2020**

**Please send your application by e-mail only.**
