

U@Uni Academy badge: Growth

Congratulations on earning your Growth badge. You have demonstrated 21st century skills – valuable skills that you will use as you move on to further study and work post-high school.

You can include this achievement in your portfolio and CV. Educational institutions, organisations and employers are looking for individuals with 21st century skills: highly valued qualities in our rapidly changing world and workforce.

When applying for post-school study, or your first job, you can use the following descriptions in your applications or interviews to demonstrate the skills you have gained. These are what you were assessed against in order to achieve your badge – so you have skills listed below – congratulations!

The person who has earned this badge has demonstrated 21st century growth, which includes the capacity to be self-aware. This is demonstrated by: identifying an area of knowledge or skill that can be improved; attempting to deal with difficulties or problems; showing flexibility when looking for help as a strategy for solving a problem; and being willing to use peers as potential instructors.

Badge criteria

- demonstrate self-awareness of attitudes and values
- evaluate own performance
- recognise own motivations
- focus on solutions
