MAKE CATERING YOUR NEXT EVENT SIMPLE

When it comes to holding special events, outsourcing catering might be challenging and you can't afford trial and error when it comes to finding dependable corporate caterers.

That's why we've personally tried and tested the best food providers and suppliers of every description, so only the top picks make it onto our site – and into your event.

At Cornerstone Café we have built an enviable reputation through the quality of our catering for clients such as; the Australian Greens, Green Peace, UTS Functions, ABC TV, Safe Ministry and many more.

Our experienced team of staff and suppliers are dedicated to providing a variety of nutritious and delicious experiences. Meals are prepared from fresh produce on premises.

We aim to cater for all special dietary requirements with prior notice. We've done the (delicious) hard yards, so you don't have to!
