15/06/22

### [The Literature Review](#)

13/04/22 -  
25/05/22

### [Your Dissertation in Your Discipline](#)

First Tuesday  
of the month

### [Research writing bootcamps](#)

# HDR Careers

Prepare to be ‘world ready’ and in a position to make an impact in whatever professional path you choose.

29/03/22,  
26/04/22

[Research x Startups](#)  
1:00 - 2:00pm

10/05/22

[Connect, engage, impact: using HDR work-integrated learning to build your research career](#)  
4:00 - 5:30pm

25/05/22

[Meet the UTS HDR Capability Framework](#)  
4:00 - 5:00pm

## ATN Frontiers

**ATN Frontiers** offers a suite of futurist-focused learning modules free of charge to ATN HDR students. The program is co-created and delivered by expert academic and practitioner staff across ATN member universities.

Submit Expressions of Interest and stay up to date [here](#).

# HDR on Canvas

Flexible learning opportunities that support your researcher and professional development when you need them, where you need them.

Explore the  
GRS Researcher  
Development hub

## Research Integrity

### **HDR Qualitative Research Modules**

Foundational Issues in Qualitative Research

Common Qualitative Methods

Approaches to Qualitative Data Analysis

Developing a Qualitative Research Design

### **HDR Quantitative Research Modules**

Design and Analysis of Experiments

Statistical Analysis and Data Modelling

Design and Analysis of Questionnaire Surveys

## Intellectual Property Essentials

### **HDR Careers**

Career Design and Decision Making

Job Search Strategies

Writing Job Applications

Interview Skills and Career Pitching

Professional Placements for HDRs

## UTS Library

UTS Library is here to support you through every step of your research journey! Join our team of expert librarians who will train you in these topics:

- literature searching
- EndNote
- research data management
- publishing advice
- researcher profiles
- citation metrics and altmetrics

**Watch this space**  
for our upcoming  
UTS Library workshops  
for researchers.

Can't attend or  
want to request a  
**bespoke consultation?**  
Just contact the Library!

---

## eResearch

UTS eResearch provides research specific IT services, support, and training on solutions such as data management, high-performance computing (HPC), and storage.

There is a wide range of specialised courses for researchers from beginner through to advanced levels in High-Performance Computing (HPC), Programming with R/Python/Matlab, Excel, data management, data cleaning and visualisation, and many more. To see how eResearch can help you during your research journey, **visit our website** for more information.

---

## UTS Aspire

**UTS Aspire** delivers a menu of events and activities that caters to the breadth of the UTS research community – including for HDRs!

---

## UTS Visualisation Institute

At the **UTS Visualisation Institute**, we draw on cross-disciplinary research and expertise to create data visualisations, stories and immersive experiences.

---

## UTS HELPS

HELPS focuses on the use of language to develop arguments and express ideas clearly, so all feedback for HDR students will target the following areas: written expression, punctuation, paragraph structure, and communication with supervisor(s).

One to One  
Consultation  
for HDRs

---

## UTS Student Learning Hub

Located at the boomerang desks on Level 4 of UTS Central, the **Student Learning Hub** is where you go to find support at UTS. We bring key services to you throughout the Session, making sure you're connected with the full range of support at UTS all year round. Our friendly Student Learning Hub Guides will make sure you get the right advice from the right people when you need it.

---

## Wellbeing

There are a range of resources across UTS to support you as a person as well as your research.

[HDR Support at UTS](#)

[Design your wellbeing](#)

# HDR Social

## Build Your Community

---

### Researcher Café

second Thursday  
of the month

Network, socialise, and learn about ways to make the most out of your HDR study. Each session will feature guest appearances by members of staff from different research and wellbeing support units, available to answer your questions on a range of topics.

---

### Research x Startups

29/03/22,  
26/04/22

1:00-2:00pm

Explore how your research can make a difference as you connect with other UTS researchers who are using entrepreneurship as a path to impact.

---

### HDR Happy Friday

20/05/22

4:00-6:00pm

Join your fellow UTS HDRs to celebrate the accomplishments of another research session.
