## CSL FAQ'S

- Accepting an offer does not mean they cannot receive other offers.
  - Students never receive their selection rank, only their ATAR.
  - There are around 2 offer rounds per month. Refer to UAC for the key dates.
  - Before completing their HSC, students may receive a notification on UAC that they do not meet requirements. This is because they have not completed their HSC. This will go away once they complete their HSC.
