## AIMI Excellence in Honours Research Scholarship

### Description

The AIMI Excellence in Research Honours Scholarship is a \$5,000 bursary to support promising and ambitious students who have completed a Bachelor's degree in Science and who are enrolling into an Honours year with a primary supervisor from the Australian Institute for Microbiology & Infection (AIMI). Students who wish to embark onto further postgraduate research within AIMI will be preferred.

### How to apply

Email a cover letter of up to 300 words on your career intentions and aspirations, together with a copy of your transcript from your completed Bachelor's degree, and the marks and feedback from your formally submitted Honours proposal assessment task to [AIMI@uts.edu.au](mailto:AIMI@uts.edu.au).

### Eligibility

Before applying for this scholarship, please check your eligibility against these criteria:

- Students must have completed requirements for a Bachelor degree in a relevant area of Science and be enrolled in an Honours program at the University of Technology Sydney with a primary supervisor from AIMI.
- The scholarship is for full-time students only.
- Both domestic and international students may apply.

### Selection Criteria

The Scholarship will be awarded competitively on academic merit, based on your cover letter, undergraduate degree results and the score and feedback received from your Honours proposal assessment task.

The Scholarship availability and selection will be at the discretion of the AIMI leadership team.

### Value

The Scholarship is valued at \$5,000 and will be distributed as follows:

- \$2,500 to the student's bank account as a stipend;
- \$2,500 to the primary supervisor's research account to enable the Honours research project.

The scholarship value will be paid in a single payment after the census date of the first semester of enrolment in the relevant course.
