

# CO-DESIGNING A SWEET APPROACH TO CONSENT EDUCATION

## WINNER

of the 2020 Good Design Award  
Best in Class (Social Impact)

## 64%

of UTS students know where to seek support or assistance for sexual harassment vs the national average of 47%.  
*(2021 National Student Safety Survey)*

## 7000+ ATTEND

our event activations each year, engaging in a two-way dialogue about sexual consent, bystander intervention and support.

## 110,000+

By July 2023, more than 100,000 staff and students completed our Consent Matters training.

## FINALIST

2023 AFR Higher Education Award  
(Community Engagement)

## 77%

believe 'UTS provides a supportive environment for students to call out and/or report instances of sexual harassment', up 4% from the year before.  
*(2022 UTS Student Satisfaction Survey)*

## 7,500

scoops of ice-cream served with flavours branded with consent-related puns.

## 7.2% vs 8.1%

UTS students reported lower than the national average for experiencing sexual harassment in the last 12 months.  
*(2021 National Student Safety Survey)*
