

2025 Education Subject Guide

Study Abroad and Exchange

This guide highlights our most popular Education subjects. You can also search for other subjects and majors using the [UTS Handbook](#) and UTS Education website: <https://www.uts.edu.au/future-students/education>

Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Final enrolment into subjects is conditional upon class availabilities and completion of the online enrolment process.

To decide which calendar to choose your subjects from, please see the two options below:
