

# Climate Change Cluster Honours Research Scholarship

The C3 Research Honours Scholarship is a \$5,000 stipend to support promising and ambitious students who have completed a relevant Bachelor's degree and who are enrolling in an Honours year with a primary supervisor from the Climate Change Cluster (C3).

## How to apply

After starting your Honours year within C3, you will be invited to apply by submitting a cover letter (maximum 1 page) on your career intentions and motivation for joining C3, together with your CV and a copy of your transcript from your completed Bachelor's degree to [Climatechangecluster@uts.edu.au](mailto:Climatechangecluster@uts.edu.au).

## Eligibility

- Students must have completed the requirements for a Bachelor's degree in a relevant area of Science and be enrolled in an Honours program at the University of Technology Sydney with a primary supervisor from the Climate Change Cluster.
- The scholarship is for full-time students only.
- Both domestic and international students may apply.

## Selection Criteria

The Scholarship will be awarded competitively on academic merit, your cover letter, and relevant experience. The Scholarship availability and selection will be at the discretion of the C3 leadership team.

## Value

The Scholarship is valued at \$5,000 and will be paid in fortnightly instalments after the census date of the first semester of enrollment in the relevant course.
