

2025 Law Subject Guide

Study Abroad and Exchange

Study Abroad and Exchange students may choose subjects from more than one faculty at UTS.

You can also search for other subjects and majors using the [UTS Handbook](https://www.uts.edu.au/study/law) and UTS Law website: <https://www.uts.edu.au/study/law>

Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects.

Final enrolment into subjects is conditional upon class availability and completion of the online enrolment process.

When can I study?

What can I study?

Pre-approved subject list

This is a great place to start! All subjects in this list are:

- Pre-approved and automatically added in your study plan
- No need to add them in your application
- You can self-enrol once you activate your student account
- No additional subject assessments will be required

Faculty assessed subjects

Subjects with pre-requisites require prior knowledge. You will need to:

- List the subjects in your application
- Demonstrate that you have the prior skills and knowledge necessary to undertake the subject (academic transcript and subject outline)
- Check prerequisites in the UTS Handbook www.handbook.uts.edu.au
- Please note that while no subject is guaranteed, subjects that fall within [CBK90923 Options \(Legal Theory UG\)](#) are more likely to be rejected, as there are few options and UTS students require this to complete their degree

Note: Each subject will be individually assessed by the faculty for approval and it can take up to 6 weeks for an outcome.
