

2026 Business Subject Guide

Study Abroad and Exchange

Study Abroad and Exchange students may choose subjects from more than one faculty at UTS.

This guide highlights our most popular Business subjects. You can also search for other subjects and majors using the [UTS Handbook](#) and [UTS Business website](#).

Subjects offered in other faculties may carry different credit point values. Be mindful of this when choosing your subjects. Final enrolment into subjects is conditional upon class availabilities and completion of the online enrolment process.

When can I study?

Study Abroad and Exchange is available:

Period	Category

Period	Category

Please note: Some of the subjects you want to undertake from the list may not be available in your intake session. To confirm subject availability, please search the relevant subject codes in the [UTS Timetable Planner](#).

In the Timetable Planner, "AUT" refers to Autumn Session, and "SPR" refers to Spring session.
