

2026 Undergraduate Pre-approved Subject List

Study Abroad and Exchange

This is a great place to start! All subjects in this list are:

- Undergraduate level
- Pre-approved and automatically added in your study plan
- No need to add them in your application
- You can self-enrol once you activate your student account
- No additional subject assessments will be required

When can I study?

Study abroad and Exchange is available:

Period	Category
February – June	A: Autumn Session

Period	Category
July – November	S: Spring Session

Please note: Some of the subjects you want to undertake from the list **may not be available** in your intake session. To confirm subject availability, please search the relevant subject codes in the [UTS Timetable Planner](#).

In the Timetable Planner, "AUT" refers to Autumn Session, and "SPR" refers to Spring session.

Please note:

- Study Abroad and Exchange students may choose subjects from more than one faculty at UTS.
- Final enrolment into subjects is conditional upon class availabilities and completion of the online enrolment process.
- Sport and Exercise Science subjects are offered at the [UTS Moore Park precinct](#), which is connected to the City Campus by light rail or a 25-minute walk.
- Subjects offered in different faculties may carry different credit point values. Be mindful of this when choosing your subjects.
