#### AAS requirements for completion or reunion travel

You are required to return home within 30 days from the UTS Autumn or Spring semester official result release date (coursework) OR thesis “expected work submission (EWS)” date (research). If your visa or OSHC expires prior or within the 30 days, you must depart by the expiration of your visa or OSHC.

The following strict conditions apply to all travel:

- Most direct route and cost effective (discounted/cheapest economy/best fare of the day) to the closest airport to your city/hometown;
- Stopovers in Australia and/or overseas are not permitted unless there is no direct route;
- Minimise the risk of visa problem if transit or stopover is required in a third country;
- Ticket issued cannot be varied without the approval of UTS International Sponsored Students Team;
- Once ticket has been issued, you will be responsible for all costs if you wish to make any approved changes;
- You are responsible in checking that your personal details and your booking is correct;
- You are responsible for all external arrival/departure taxes after departure from Australia;
- Excess baggage will automatically be requested by the travel agent at the time of booking. If not available, you must contact the airline directly to arrange for excess and payment. Please do not contact the UTS International Sponsored Students Team;
- AAS does not cover: (1) cost of travel insurance for the loss of any possessions; (2) travel costs of your dependants/family members; (3) cost of transporting personal effects or excess baggage;
- You are strongly advised not to return home until final results are released or thesis handed in. If you have to return to Australia to complete a failed subject, you will be responsible for all travel and associated costs;
- You must ensure that you have read and understood the Australia Awards Scholarships Policy Handbook for full details and comply with the scholarship and its conditions as per your contract with the Commonwealth of Australia.

I declare and confirm that all information provided is accurate and I have read, understood and agree to the above conditions.
