

UTS Prize Conditions of Award

Helio Supply Co. Prize

Faculty: Science

This document sets out the conditions of award for the below prize ('Prize') and the obligations of recipients ('Recipient') and UTS in regards to this Prize. The administrative processes to support awarding this Prize will be managed, and may be amended, in accordance with UTS Rules, Policy and Procedures.

1. PRIZE NAME: Helio Supply Co. Prize

2. PURPOSE

To award the graduating student from the undergraduate Traditional Chinese Medicine programs who achieves the highest weighted average mark for Traditional Chinese Medicine subjects in stage 5 and 6 of the course.

3. VALUE AND BENEFIT

3.1 Number of Recipients:

One (1) Recipient will be awarded the Prize each year.

3.2 Benefit/s to Recipient:

The value of the Prize to the Recipient is \$500, and is comprised of a \$250 cash award and a \$250 credit account with Helio Supply Co.

3.3 Payment of benefit/s:

- The Recipient will receive one payment of \$250 by electronic funds transfer to his/her nominated bank account.
- The Recipient will receive a credit account with Helio Supply Co, valued at \$250.
- A certificate of award will be presented to the Recipient at the Science Scholarship and Prize Giving Ceremony.

4. ELIGIBILITY CRITERIA

The Recipient must:

- graduate from C10186 Bachelor of Health Science in Traditional Chinese Medicine or C10164 Bachelor of Health Science in Traditional Chinese Medicine Bachelor of Arts in International Studies in the year for which the award is made.

5. RECIPIENT SELECTION CRITERIA

- The highest weighted average mark awarded for all Traditional Chinese Medicine subjects in stages 5-6 of either C10186 Bachelor of Health Science in Traditional Chinese Medicine or C10164 Bachelor of Health Science in Traditional Chinese Medicine Bachelor of Arts in International Studies.
- In the event that two or more eligible students have the same highest weighted average mark, the following criteria will be considered:
 - Performance in Traditional Chinese Medicine Subjects outside of formal assessment that demonstrates mastery of and engagement in the subjects;
 - Overall performance in the student's award course, including whether the student has failed subjects, received academic cautions or had a finding of misconduct made against them.

6. SELECTION

- The Recipient with the highest weighted average mark will be identified according to the eligibility and recipient selection criteria as provided in clauses 4 and 5;
- In the event that two or more eligible students have the same highest final mark, a selection committee chaired by the Dean (or nominee) together with a minimum of two (2) people will select a recipient based on the specified selection criteria in clause 5;
- The nominated Recipient will then be formally approved or declined by Faculty of Science based upon the selection criteria in clauses 5 and 7.

7. OTHER CONDITIONS

The Faculty of Science may decline to offer the award to a Recipient who achieves the highest WAM where that mark is less than 75D.
